

Opti-4 Double Engine Warranty Program

Opti-4 Premium Lubricants utilize an exclusive, patented Eutectic wear stabilizing additive (see technology tab) that reduces heat, friction & wear plus increases engine performance and life.

Opti-4 Premium Lubricants always maintain the highest API spec. and have been protecting Lawn & Garden equipment engines for over 30 years.

In fact Opti-4 has been so effective at protecting engines, by using Opti-4 exclusively in your new power equipment engine, Interlube International Inc. will **Double** the manufacturers engine warranty timeframe (2 years doubles to 4, 3 years to 6, etc.) on the internal parts of your engine up to 31hp.

To qualify, at the time of equipment purchase also purchase one of the following...

3-pack of Opti-4 20oz. bottles for engines up to 7hp

4-pack of Opti-4 34oz. bottles for engines up to 31hp

1 gallon jug of Opti-4 for engines up to 31hp

Note: Opti-4 must be purchased at the same time as the new equipment/engine from the same dealership.

Opti products are sold exclusively through your local independent neighborhood Lawn & Garden equipment dealers and are **not** available at the mass merchants. Use the dealer locator on the left of our homepage or call 800-332-5851 to find a retailer near you.
